Pins are a fantastic fashion accessory; they're affordable, personal, and small enough to be collectible. You

may have found yourself with a collection of buttons and pins for the sheer “But it’s so cute!” factor. But if you’re anything like us, you may find yourself at a loss for what to do with your pins once you’ve gotten them.

American mechanic Walter Hunt is regarded as the inventor of the safety pin that bears resemblance to those

used today. The safety pin included a clasp that covered the point and kept it from opening, and a circular twist at the bend to act as a spring and hold it in place. Charles Rowley (Birmingham, England) independently patented a similar safety pin in October 1849, although the company no ...
