FAQs - New Learning Outcomes Programmes and Syllabi

Emergent curriculum is a way of planning based on children's interests and passions, as well as the teachers. Emergent curriculum starts with the children's interest but is extended on through the interactions and planning of the teachers.

Mairtown Kindergarten: An example of emergent curriculum

The term emergent curriculum is used to refer to an approach that emerges from the interests of the learner and is socially constructed (Jones & Nimmo,1994). However, the process of emergent curriculum assumes a higher level of effectiveness when it goes beyond interests to focus on children's thinking, creativity and curiosities.

Emergent curriculum - Wikipedia

with emergent curriculum is to inspire delight, curiosity, and inquiry in the classroom. Doing so has been proven to build intrinsic motivation (coming from within the child) and a long-term love of learning. These are the greatest gifts our teachers can give a child in preparation for their primary school experience.
