Project Gutenberg is one of the largest sources for free books on the web, with over 30,000 downloadable free books available in a wide variety of formats. Project Gutenberg is the oldest (and quite possibly the largest) library on the web, with literally hundreds of thousands free books available for download. The vast majority of books at Project Gutenberg are released in English, but there are other languages available.

Ford 2722e

Ford themselves did not produce a marine version of their engines until the Dover Series, however many Ford of Britain engines and a number of Ford licensed Spanish and Turkish (Ford Otosan) versions of these engines were marinised by third party companies or by individuals, and installed in various vessels, especially Asian Trawlers. Most all of these engines were factory new, but there were ...
