dynasty.

English heraldry - Wikipedia

Heraldry is the practice of displaying a personal coat of arms to identify oneself. Heraldry is the art designing, recording, displaying, granting and describing coats of arms. During the 12th century, simple coats of arms were being passed down to children throughout Europe. Heraldry came into practice by the end of that century.

a flavour of the traditions of heraldic art in Europe throughout the early years of the 17th century to the present day. Most of the illustrations created stop at the French Revolution purely for reasons of practicality. The greatest emphasis is on royal and hence national coats of arms, although in certain countries a more extensive collection is shown.
