## Mediators Handbook Revised Expanded Fourth

"The fourth edition of The Mediator's Handbook continues to improve upon everything that made the original edition a success: user-friendly explanations for every step of the mediation process, starting with what mediation is, to dealing with the most difficult situations that can arise in the course of a dispute. While the Handbook presents itself as being for mediators, those who should have a copy of the Handbook on their shelf include lawyers representing clients in litigation, human ...

The field of mediation has expanded dramatically since Friends Conflict Resolution Programs published the original Mediator's Handbook in 1982, the first "how-to" mediation manual available to the public. Since then, mediation has evolved from an alternative approach to conflict resolution for community activists to a process that has become part of our everyday landscape.
