Peugeot 307 GLX Hdi 110HP 2003 Diesel Manual Engine Sound Problem  
Info. For many car parts, such as engines and cylinder heads, it is important that you specify the correct motor code on your request.The engine code is usually stamped somewhere into the engine block. The first 4 or 5 letters / numbers usually provide enough technical information for a car parts supplier to find the right engine related car part for you.
