Shadows of the Pomegranate Tree Review - Jennifer Lambert  
Shadows of the Pomegranate Tree by British author and historian Tariq Ali is the first book in a five-part series about the history of the clash between Islamic and Christian empires, and the rise and fall of Islam. A historical novel, the book is set in the late fifteenth century after the fall of the Muslim Kingdom of Granada in Spain to the Christian armies of King Ferdinand and Queen Isabella.

Shadows Of The Pomegranate Tree  
Shadows of the Pomegranate Tree is a novel of ideas, tracking philosophy, drawing out strains of religious practices and ideologies, and complicating Islam's historic relationship to race, gender and sexuality. But it's not particularly well-written, nor are its characters uniquely compelling - they exist as perspectives or types, not in the flesh.
