### Suunto Vyper Air Black with USB - [www.simplyscuba.com](http://www.simplyscuba.com)

I have owned and used many other dive computers. All of them did the job adequately (some better than others), but I didn't realize how much better life could be until I found the Suunto Eon Core. Now that I have used the Eon Core, I wouldn't even think of going back to the others. I love this dive computer.
