Silver Quandong (elaecarpus grandis) is becoming one of the preferred timbers to be used for musical instruments like guitars. The timber is an extremely stable and easy to use product. The long straight grain makes for a great timber to bend and has been used for boat building and oars. Thanks to Kirby Fine Timbers.

Timber — Quality Timber Traders

Timber boat building had almost died out in Sydney, but there was still one yard left in Balmain, once the hub of boatbuilding in Sydney, who specialised in Timber Boat building and repair. Timber Boat Services was run by ex-Cockatoo Island trained shipwrights Rick Wood and Nigel Shannon.

Simon Sadubin – Sydney Wooden Boats

The Green family of boatbuilders. 1822 - 2008 Many generations of Green family have been successful boat builders in Sydney. They have also had great success in rowing and sculling, beginning with brothers Richard, George and Henry in the mid 1800s, then later on in the 1900s, the twins A&H Green. However their connection to boatbuilding begins much earlier, when the colony of NSW was still in ...
