[WorldCat.org]

The "Page, Line and Word" trick uses two or three spectators, handing one a book (the "reader"), another an envelope, and the third pencil and paper (the "writer"). The writer is asked to imagine opening the book and selecting a word at random, and then writes down the page, line and word number they imagined.

Book test - Wikipedia

Laboratory RT-PCR testing is the current standard of care but usually requires a centralised laboratory and significant infrastructure. We describe our diagnostic accuracy assessment of a novel, rapid point-of-care real time RT-PCR CovidNudge test, which requires no laboratory handling or sample pre-processing.

The Test by Sylvain Neuvel is this little 100 page, weird ass book revolving around a 25-question British Citizenship Test. Twenty-five questions to decide the main character's fate. Twenty-five chances to impress.

The Test by Sylvain Neuvel - Meet your next favorite book

Background: A novel rib fracture repair plating system was developed to provide durable fixation with a shorter length than standard systems and thus facilitate minimally invasive repair. We hypothesized that U-plate fixation would be at least equivalent in durability to standard anterior fixation. Study: Twenty fresh frozen ribs (10 pairs) from two human cadavers were first tested for intact ...
